***ALEKS will be added with Glencoe Course 1 through Glencoe Algebra 2**

ALEKS is an adaptive, online math program that uses artificial intelligence and open-response questioning to identify precisely what each student knows and doesn't know. Through truly individualized learning and assessment, ALEKS delivers a personalized learning path on the exact topics each student is most ready to learn.

MathXL will be added for students in Algebra 3 through Calculus

MathXL is an online tutorial, homework, and assessment program that provides personalized practice and differentiated instruction. Teachers are able to offer intervention and remediation for students.
