

# Why does the B.P.A.A. need your help?

If you are an alumni of the Butler Performing Arts Program, a family member of a Butler Performing Arts Student or if you simply enjoy the performing arts at Butler High School you are an integral part of keeping these programs alive. Please consider a donation to the Butler Performing Arts Association.

*Have you heard...*

*Each year BPAA provides up to three \$1000 scholarships to university-bound graduating seniors based on participation, scholarship, and financial need.*

*Students that are majoring or minoring in a performing arts program receive preference for these scholarships. Students from all groups have been scholarship recipients.*

The BPAA Booster program helps to offset the increasing costs of the performing arts programs of Butler High School.

Did you know?....

- Each marching uniform costs **\$450?**
- The drums for marching season cost over \$7500 several years ago?
- A year's worth of music for the instrumental programs can cost **thousands of dollars?**
- Choir Dresses cost over \$100?
- BPAA provides over \$40,000 to support these programs each year through the efforts of students and parents volunteering their time and resources.

How can I help?

It's simple, become a BPAA member or donor!

## BPAA BOOSTER LEVELS

# What is BPAA?

The **Butler Performing Arts Association** is a volunteer 501(c)3 non-profit group dedicated to actively supporting the Butler High School students in Marching Band, Concert Band, Jazz Band, Choir, Color Guard and Kickline. The goals of the association are to provide competition fees for all groups, to provide outside advisors to teach special curriculums, to purchase robes and uniforms for all groups, to provide scholarships for eligible seniors, to cover the costs of the purchase and maintenance of band instruments, and to cover the costs of props and equipment for competitions. From a parent's point of view, we are supporting our kids, stimulating teamwork, meeting and building new friends, creating camaraderie, and providing our kids with a well-rounded, positive high school experience.
